THREATENED MURDER AND SUICIDE

Was Caused By Young Woman's Father and Gave Up His Weapon—How It All Happened—A Frustrated Plea for Pardon.

A very comely young woman employed in one of the city's manufacturing establishments had a very exciting experience Saturday evening.

Mr. Green is now in his eighty-third year and Mrs. Green in her eightieth. They are both in the enjoyment of the best of health and their mental faculties are unimpaired.

Mr. and Mrs. Ora G. O'Neal, of this city, spent Sunday with the aged couple, and found Mrs. Green attending to her household duties and Mr. Green showed Mr. O'Neal where he had recently been laying wall.

Mr. Green is a Democrat of the old school, and his devotion to his party and its principles is as earnest as ever it was.

It would have to be the worst kind of a storm that would keep him from the polls on election day.

The Anets joins with Mr. and Mrs. Green's many friends in wishing them many returns of their marriage anniversary.

AGED COUPLE'S ANNIVERSARY

Mr. and Mrs. Oliver Green's Fifty-eighth Wedding Anniversary.

Mr. and Mrs. Oliver Green, who live near Finchville in the town of Mount Hope, are celebrating quietly, to-day, the fifty-eighth anniversary of their wedding.

Mr. Green is now in his eighty-third year and Mrs. Green in her eightieth.

They are both in the enjoyment of the best of health and their mental faculties are unimpaired.

Mr. and Mrs. Ora G. O'Neal, of this city, spent Sunday with the aged couple, and found Mrs. Green attending to her household duties and Mr. Green showed Mr. O'Neal where he had recently been laying wall.

STATISTICS OF SUICIDE.

Gruesome Compilation Showing How and Why People End Their Lives.

A reader of the New York Sun clipped all the accounts of suicide that paper published last year and kept some statistics regarding them. He considers that they cover about ten per cent. of the suicides of the country. There were 808 suicides in the list, 621 men and 187 women; 250 men and 12 women destroyed their lives by firearms, 144 men and 103 women by poison, 70 men and 20 women by hanging, 52 men and 23 women by inhaling gas, 30 men and 17 women by drowning, while there were 32 cases of throat cutting.

In only 390 of the 808 cases was the cause definitely given. Where causes were given sickness had the largest credit, domestic afflictions, lack of work, business troubles, love episodes and crime following in the order given.

The figures may have a morbid interest, but it is difficult to draw any conclusion from them other than that many people have a vague idea that they get away from troubles, real or imaginary, by ending their lives.

VERY RECKLESS DRIVING.

Three Tipsy Young Men Took a Very Risky Ride.

Three young fellows, who had plainly been assisting in violating the Sabbath, created considerable excitement in the south end of town, Sunday evening by their reckless driving. They had a good horse and going down Genesee street they ran him at the top of his speed. The heavy loaded wagon swerved from side to side and every one expected that the whole outfit would go to smash but the proverbial luck of drunken men nothing happened and the reckless driver and his companion disappeared in a cloud of dust.

MUCH LAND UNDER THE PLow.

One effect of the drought has been to start the plow again in Orange county. The necessity of providing foreign crops with which to meet the short hay crop has been the impelling cause. A resident of this city, who has been to start several long drives through the country, says that he is satisfied that no land has been broken up in this county, this year, than in a great many years.

A great deal of land has been sown to millet, which many Orange county farmers have found is a much more profitable crop than oats.

NORWICH LETS A BIG PAYING CONTRACT.

Norwich's Board of Trustees has awarded the contractor for paving East Main street in that village with brick to J. K. Van Campen, of Olean, for \$25,711.35. Eight bids were received for the work. The high bid was \$30,112.65. The cost of laying the pavement will be some \$22,000 more than was bid for the work, last year, when there was successful opposition to the improvement. The increase in cost is due to the eight hour law.

SHOT BY A Deputy Sheriff.

There is a mysterious prisoner in the Newburgh jail. He was brought there, Tuesday night, from New Windsor, after a shot from a deputy sheriff's pistol had brought him down. The wound is said not to be serious, but no information is given as to how it was inflicted nor as to the name for which the arrest was made, although it is said that ere long something may come out of the arrest that will repay all for waiting.

New D. & W. Locomotive.

The increasing business of the D. & W.'s night express has made the train so much larger that it has been necessary to order new locomotives to haul it. One of them was received, last week, from the Cooke Locomotive Works, Paterson. It is similar in design to engine No. 998 of the Central road, which hauls the Empire State Express.

THE WATER BOARD.

Much Business Done at Saturday Night's Meeting.

MANY REQUESTS MADE FOR REBATES

Interesting Question Raised by the Assessors—Clerks and Superintendent's Reports—Lowering the Corp Boxes.

A regular meeting of the Water Board was held Saturday night, attended by all of the members except Mr. West. Considerable business was transacted promptly.

S. S. Purvis, one of the city assessors, appeared before the board and asked if frontage tax should be levied on property purchased with pension money.

The matter was laid over until the next meeting.

G. H. Black presented a request for a rebate of \$15, claiming that by the laying of water pipe through Ogden street the Board had obstructed a drain from his property there. He was allowed \$10.

The clerk's report showed the total receipts for June to have been \$2,509.95, with a cash balance of \$7,695.96 on hand. The total disbursements were \$1,297.60. The clerk's report also showed \$776.20, the amount of delinquent tax due from private water users who have no meters.

Supt. Davis reported that he had made the new frontage tax assessments and that a large increase was shown.

The city has lowered fifty-six curb boxes where owners have not complied with the Board's orders, and there are many more to be lowered.

Young Branning and his father, who was once the Democratic candidate for Assembly in Sullivan county, were wheeling from Newburgh to Narrowsburg, where they formerly lived. They reached Bloomingburgh, Sunday night, and put up for the night. Some time before midnight the boy arose from his bed and while naked walked out of the window, which opened clear to the floor. He was awakened by the shock, but was able to return to his room unassisted.

The father and son came to this city, this morning, and took Erie No. 21 for Narrowsburgh.

The State Hospital asked for the same reduction in water rates, 40 per cent., which was allowed manufacturers by a recent act of the Board. It was granted.

John C. Deegan and S. K. Watts were granted a plumber's right-of-way at the State Hospital.

The Lutheran Church was crowded, Sunday night, when services were conducted by Rev. George Drach, of Philadelphia, brother of the pastor. The sermon was in English and was enjoyed not only by the regular congregation, but by a number of English speaking people who were present.

The speaker took for his text, "I have built a tabernacle for the people." The sermon was a particularly able one and was listened to with deep interest. The singing was a feature of the service. Miss Muller and Wm. Roscher furnished the instrumental music.

W. H. Biggs asked that 171 feet of pipe be laid in Houston avenue to connect with his property on Lafayette street. It was put over until the next meeting.

Bills amounting to \$272.37 were audited.

NEWBURGH FIREMEN HERE.

Delegates from Highland and Chappaqua Engine Companies in Town.

Delegates from Highland Engine Company, of Newburgh, were guests of Ontario Hotel, Newburgh, Saturday, fell into a sparrow's nest and set the nest of which it was composed on fire. The blaze was seen from the street and the firemen were called out, but the fire was put out without their help.

GIFT TO FATHER O'HANLON.

McQuaid Engine Company's Purse Presented to His Nephew.

Robert Brown, an eleven-year-old Port Jervis boy, fell from a small tree which he was climbing, Friday, and his neck struck on a sharp stub, which inflicted a severe gash and barely missed the jugular vein. Three stitches were necessary to close the wound.

IN RECORDER'S COURT.

One colored man was pulled in Sunday for riding on an O. & W. freight train. He was fined \$3 or ten days in Goshen. He had no money.

IN THE RAILROAD WORLD.

The new management of the Monticello railroad has purchased 40,000 southern pine ties, which will be used in improving the road. Most of them will be laid on the Summitville division.

The Delaware and Hudson Company has ordered 250 twin-hopper forty ton coal cars from the American Car and Foundry Company, to be built at St. Louis.

Preparations are making for the sprucing of a section of the Hudson River railroad track at Hudson with poles. It is to be an experiment with the object in view of permanently laying the track. Three tanks of oil are on the tracks ready for application. If a success the entire roadbed will be sprinkled.

OVERSTUDY.

Long continued concentration of the mind weakens the nerve forces and wastes the vitality, so that disease finds an easy victim. Dr. Miles' Nervine renews the wasted strength and builds up the worn out nerves. "I studied too hard at school and when my nervous system gave way I was attacked by St. Vitus disease. I was in an awful condition and had very little control of my body. Some physicians could give me no help so I began taking Dr. Miles' Nervine. It helped me from the start and after using it a few months my health was restored."

W. E. STEVENS,
Pittsfield, Mass.

All druggists are anxious to sell Dr. Miles' Nervine because they know that first bottle will not cost money will be refunded. Be sure and get Dr. Miles' Nervine. Take nothing else.
